## STARTING POINT

## HARLEY DAVIDSON OF HONG KONG

G/F Eltee Building  
Ning Foo Street  
Chai Wan

**Gather:** 7:30am  
**Ride Briefing** 8:00am  
**Prompt Depart** 8:30am

## RIDE DETAILS

**DISTANCE:** 280KM / 174 MILES  
**TOLLS:** HK\$44

We have been invited by the 10000 Miles Club to participate in an attempt to set the Guinness World Record for the longest continuous motorcycle ride. This record setting event starts and ends in China with a Hong Kong leg that we, HOGHK, will ride and complete no matter what the weather!!!

The 10000 Miles Club was in Beijing in 2015. Their club motto is very simple "Ride, Ride, & Ride". Members have to complete a minimum of 8000 miles every year to uphold their membership. But that's effortless for these diehard riders. Kudos to Ride Free Spirit that they embrace.

Come and be part of a great day and possibly become a Guinness World Record Holder!!! Meet the 1000 Miles Club members. Let them share their amazing biking experiences with us. **All bikers welcome.**

This will be an all-day ride leaving promptly at **8:30am** from the Dealership and ending at approximately 6:00pm at the Dealership.

The ride will be approximately **270KM / 167miles** and so:

- Full Tank of Fuel to start the day. We will make 2-3 fuel stops
- Plenty of fluids as this is a long day and we need to stay hydrated
- Perhaps snacks as lunch can be late
- Check your bike – brakes, tires, lights and general road worthiness
- We will ride no matter what the weather

We shall be ordering special pins for those who complete the whole route.
